

Get your flu shot — the best way to help prevent the flu

Each of us can help protect all of us.
Get a flu shot and show you care.

Take down the flu by getting your annual flu shot right away. Flu shots are:

Covered at \$0 out-of-pocket

They're safely given at over 50,000 locations¹—including network doctors, other health care professionals and the locations listed on the back.

More important this year

They're the best way to prevent the flu, according to the Centers for Disease Control and Prevention (CDC).²

Helping communities and health systems

They helped prevent an estimated 105,000 flu-related hospitalizations in 2019–2020.³

Choose where to get your flu shot

Most plans cover flu shots at 100% at the retail pharmacies and network convenience care clinics listed on the next page. If you're in California, however, certain convenience care clinics may not be covered at 100%. Check your plan details or call the number on your health plan ID card to be sure you're covered at the clinic you choose.

Retail pharmacies: Pharmacists associated with these retail pharmacies can administer flu shots. No appointments are necessary.
