

Say hello to uhceservices.com.

Get to know your new website for Oxford benefit plan information and related support.

uhceservices.com is replacing oxfordhealth.com for fully insured Oxford New York and New Jersey clients upon renewal.

User-friendly interface. New enhancements.

On uhceservices.com, you'll have access to the same information as on oxfordhealth.com, as well as an easier-to-use interface and new functionality:

- **Delegate access to others** using user roles and permissions.
- **Find members faster.** You can now search using member identification or Social Security number, in addition to first and last name.
- **Enroll families faster**, making eligibility changes easier.

Watch your email for an invitation to register.

Before your policy renewal date, you'll receive an email from UnitedHealthcare inviting you to register at uhceservices.com. Click the **Register Now** link within the email to access the site and log in to get started.

You'll continue to have access to oxfordhealth.com for up to 3 months after your policy renewal date.

Get started.

When you receive your email invitation to register:

- 1 Click the **Register Now** link in the email.
- 2 Log in with your Optum ID username and password.
- 3 View the online Help tutorial for a quick tour of the new site, including how to establish delegate(s) and permissions to grant access to others as needed.
