

United to help improve health and the cost of care.

UnitedHealthcare works closely with Canopy Health — an integrated network of well known Bay Area providers — to offer more accessible and coordinated health care in Northern California. Our UnitedHealthcare SignatureValue® Advantage plan aims to help control costs, and empower members to live healthier lives.

Quality health care in your backyard.

- Expansive provider network of 5,000 physicians, 19 hospitals, in nine Bay Area counties
- Members can be referred to any specialist in the network
- Members have access to coordinated and transparent care by well known providers

Managing care and costs, seamlessly.

- Integrated access to the Canopy Health's network of providers
- The Advantage plan offers transparency in member care
- Employers can better manage risks and potentially lower health care costs

Empowering members to manage their health.

- The Advantage plan provides a range of member-centric tools
- Members can easily find and manage their care and costs
- Employers can support their employees in making informed health care decisions

About Canopy Health

Canopy Health is the Bay Area's largest health care alliance with a mission to provide refreshingly clear, human care. Owned by physicians and hospitals, the alliance was formed to remove the barriers to quality care, while championing accessibility, transparency, and optimized care coordination to achieve preferred patient outcomes.
