## Signature

I declare that all statements and responses contained in this entire form, and in any other health insurance administration and/or coverage application form that I completed within the last 90 days that was provided to All Savers, are true and correct and that no material information has been withheld or omitted. I also understand that the information provided on this form is used to make decisions regarding eligibility and pricing. I understand that misrepresentation, concealment or omission of fact, or a mistake of fact (whether or not a mutual mistake), could materially affect the underwriting, premium, rating or terms and conditions of my plan sponsor's Excess Loss Insurance Policy ("Policy") which could result in changes to the terms and conditions of my plan sponsor's Excess Loss Insurance Policy, including retroactive increased premium rates and attachment points, or termination of that Policy. I also understand that willful or intentional misrepresentation, concealment or omission of any material fact affecting terms, conditions, or underwriting of my plan sponsor's Excess Loss Insurance Policy could result in that Policy being null and void in its inception.

I understand and I agree that the Plan Sponsor is not bound by any statement made by or to any agent unless written herein. I agree that no medical benefits will be effective until the date specified in the Summary Plan Description. If I am now waiving medical coverage for myself and/or for my dependents, I have read the entire Waiver provision and understand the enrollment requirements if I make a request for such coverage at a later date.

Coverage is effective only after approval and satisfaction of any probationary period.

In some states, any person who, knowingly and with intent to defraud an insurance company or plan administrator, submits an enrollment application form or files a claim containing any materially false information may be guilty of fraud, which is a crime.

All pages must be attached and complete, including this authorization, for the enrollment application form to be considered complete. Incomplete enrollment application forms may be rejected.

### Authorization to Disclose Medical Information for Enrollment

I hereby authorize those physicians, medical practitioners, hospitals, clinics, veterans administration facilities, pharmacy benefit managers, medical information services, urgent care facilities, and other medical or medically related entities, insurance or reinsurance companies, and consumer reporting agencies that have information available as to the present or former physical health condition, including drug or alcohol abuse, and/or treatment of me or my dependents proposed for coverage to release any and all such information, including, but not limited to, medical records, health care provider notes, laboratory tests and results, diagnoses, treatment, and prognoses. I understand the information obtained by use of this authorization may be used to determine eligibility for issuance of health coverage for me and my dependents. This authorization is not applicable to psychotherapy notes.

I agree that a photographic copy of this authorization shall be as valid as the original and that this authorization shall expire 15 months after the termination of any coverage I obtain. I understand that I may request a copy of this authorization. I understand that I may revoke this authorization at any time in writing unless action has been taken in reliance on my authorization. Any information obtained will not be released to any person or organization, except to reinsuring companies or other persons or organizations performing business or legal services in connection with my enrollment for the coverage, for any claim, for medical management purposes, or as may be otherwise lawfully required or as I may further authorize.
