How to use medical and travel assistance services

- Always carry your Global Assistance member ID card with you when traveling in a foreign country.
- If you're experiencing a medical emergency, you should immediately call local emergency services or go to the nearest physician or hospital before calling the Emergency Response Center (ERC).
- Printed on your member ID card is the contact information for the ERC. Call **+1.410.453.6330**. Carrier charges may be incurred. The ERC can obtain a call back number to minimize telecom charges to you. You may also email the ERC via **assistance@uhcglobal.com**
- When you call, be prepared with the following information: your name, your organization's name and ID number, a description of the situation, and a phone number to reach you.
- A multilingual Assistance Coordinator will provide assistance and the Emergency Response Team will monitor your case until the situation is resolved.
