

Your Apple Watch®: Pay it off by walking it off.

As you participate in the UnitedHealthcare Motion® program and meet your daily walking goals, our Walk-It-Off payment option¹ puts your earned rewards toward the cost of your Apple Watch.

Getting started is easy:

- 1 Download the Motion app.
- 2 Start walking.
- 3 Pay off your watch.

Track your activity. Pay down your balance. Hit your stride.
Just a few reasons why Walk-It-Off can be a step in the right direction.

¹Terms and conditions apply. The Walk-It-Off payment option currently applies to the Apple Watch only. You cannot have any existing outstanding tracking device balances with Motion. You can only purchase one Apple Watch, under the Walk-It-Off payment option, at a time. Your total price = device price + administrative fee + taxes and shipping and handling. As you achieve your daily Frequency, Intensity, Tenacity (FIT) goals, your accrued monthly rewards will be applied toward the outstanding balance for your Apple Watch. The initial payment due at checkout will include administrative fee, taxes and shipping and handling. Any outstanding balance after 6.5 months will be billed to your stored credit card on file. Your credit card information is stored to facilitate automated billing. You can make changes to or update your credit card information at any time by visiting your profile page at [UnitedHealthcareMotion.com](https://www.unitedhealthcaremotion.com). At that time, the Walk-It-Off option will be complete. At the 90-day mark, you must meet a weekly average of 3 FIT goal completions (any FIT goal combination); otherwise the outstanding device balance will be applied to the stored credit card on file. At that time, the Walk-It-Off option will be complete. Device returns can only be made within 14 days from the purchase date. Specific return criteria applies. If your Apple Watch is deemed to be defective, please contact Motion Member Services for additional details 1-855-256-8669. Device balances left unpaid will be secured from future FIT earnings until balances are paid in full.
