Simplicity and savings.

They're what make our specialty plans so special.

Our dental, vision and financial protection plans offer an easier, economical way to enhance your benefits package and help employees to live healthier and be more successful.

Offer quality care, choice and savings.
Your employees get access to quality care, a broad network, flexible benefit options at lower costs.

Protect employee productivity.
Financial protection plans help ease budget strain for you and your employees. They also help lower emotional stress so employees can focus on getting better, not how to pay their bills.

Clear the path to wellness.
We empower your employees to take charge of their own health and wellness.

Fund it your way.
Our flexible funding options let you choose the right plans and contribution strategies (non-contributory or voluntary) for your needs and budget.

It takes a lot of experience to deliver simplicity and savings.

30 YEARS of experience serving more than 10M dental members and 90K employer groups.

50 YEARS of experience serving more than 16M vision members and 42K employer groups.

20 YEARS of experience serving more than 1M financial protection members and 43K employer groups.
