Virtual primary care is here

Managing your health with a primary care provider (PCP) is easier when you have more ways to access care.

Get to know a PCP, virtually

A primary care provider is the doctor who knows you best, the one you turn to for everything from routine checkups to help with chronic or complex health conditions. Now, through **myuhc.com®** or the UnitedHealthcare® app, you can choose to connect remotely with a virtual PCP—and their team of health care professionals.* Make an appointment 24/7 to start your virtual primary care relationship today.**

Create a connection with a virtual PCP without having to leave home or work

You can see the same virtual PCP for:

- Preventive care
- Follow-up visits
- Checkups for ongoing conditions like asthma, diabetes and more

Benefits of virtual primary care include:

- A provider you can see on an ongoing basis
- A Care Team who'll guide you, when needed, to in-person care such as labs, imaging, specialists and more
- A Care Team who'll work with you and follow up to ensure you're taken care of

Find your virtual primary care provider by signing in to **myuhc.com** or the UnitedHealthcare app today.
